9th Annual "Tricks For Treats"

**Saturday, October 24, 2015
from 12:30 PM - 3:00 PM
(FREE EVENT)**

Key-Lore Pet Rest Gardens presents their 9th annual "Tricks for Treats." The idea for "Tricks for Treats" started in October of 2006 as an event that Key-Lore held for their boarding clients, park members and day-care dogs. Eventually, as the years passed, the humane society asked if they could host their "Mutt Masquerade" during Key-Lore's "Tricks for Treats."

Since then 100 percent of the proceeds were donated to the Humane Society of Genesee County (a non-profit organization.) As the years passed the event has become more

prevalent amongst business owners throughout the flushing community and surrounding Genesee County. "Tricks for Treats" has established more sponsors, vendors and raffle items for the event and year, after year; the event brings more attention. Ultimately, leading to more donations to benefit and fund the Humane Society of Genesee County.

Last year "Tricks for Treats" raised \$1800 dollars for the Humane Society and we hope to exceed that this year. So please mark your calendar and join us for yet another exciting and spooky year at our 9th annual "Tricks for Treats." for more information go view the poster below, or more information can be found on our website. Key-Lore Pet Rest Gardens Key-Lore "Woof Woods" 7185 Gillette road Flushing, Michigan 48433

ATTENTION!!!:

The Mt. Morris bridge is closed! alternate routes can be found on this link: <http://www.petrest.com/construction-directions/>
